

Learner Notification

International Clinical Cytometry Society

Validation Boot Camp and Quality Improvement in a Flow Lab

August 13, 2026 - August 27, 2026

Online

Acknowledgement of Financial Commercial Support

No financial commercial support was received for this educational activity.

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and International Clinical Cytometry Society. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Amedco Joint Accreditation Provider Number: 4008163

Professions in scope for this activity are listed below.

Physicians

Amedco LLC designates this live activity for a maximum of 8.25 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Professions

Clinical Laboratory Science – The American Society for Clinical Laboratory Science (ASCLS)

International Clinical Cytometry Society is approved as a provider of continuing education programs in the clinical laboratory sciences by the ASCLS P.A.C.E.® Program. This activity is approved for 4.0 hours.

Program Number: 520-013-26 through 520-014-26

California Accrediting Agency Info

All P.A.C.E. ® Providers will be included under the ASCLS P.A.C.E. ® California Agency license unless they choose to obtain their own California Agency license. The California Department of Health Services will only accept P.A.C.E. ® credits from Providers that include the CA Agency number on their certificates. Continuing education providers may seek California approval separately from P.A.C.E. ®.

Objectives - After Attending This Program You Should Be Able To

1. Describe the steps one needs to take to collect the data and the statistics needed for a panel validation.
2. Identify quality metrics that can be monitored by a lab for quality improvements and when you have a quality issue and give practical solutions for quality improvements.
3. Provide real world case studies for validations and quality improvement projects, Outline the CLSI requirements of a validation, and discuss successful implementation of a validated panel.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1-6.2, 6.5)

All individuals in a position to control the content of CE are listed below.

Name	Commercial Interest:Relationship
Jolene Cardinali	NA
Amanda Fultz	NA
Paulina Kosinska	NA
Valerie Miller	NA
Marci O'Driscoll	Beckman Coulter:Other
Jean Oak	NA
Adam Seegmiller	NA
Cara Shirai	Beckman Coulter, Inc.:Other
Megan Todd	NA
Helena Varela de Araujo	Sysmex, BD Biosciences, Agilent:Speakers Bureau
Miguel Francoise Ventura	NA
