

Medical Laboratory Scientist Task Force - Member Form

This ICCS Taskforce has been created to explore how ICCS can provide a roadmap to all Medical Laboratory Scientists (MLS) for their career as a flow cytometry technologist, providing educational resources, practical guidance in flow cytometry applications and mentoring in their career path as a recognized flow cytometry professional

Expectations: Members of this committee are expected to participate in monthly conference calls, planning events, and additional interim work as needed to support the mission.

Name _____

Institution: _____

Current Position: _____

Circle all that apply:

MD

PhD

Technologist

Research scientist

Flow qualification /certification

Year of experience in Flow Cytometry: _____

Type of flow cytometric experience: _____

Other relevant experience: _____

Recommended by two ICCS members

1. _____ at _____

2. _____ at _____

Please send to International Clinical Cytometry Society MLS@cytometry.org

Thank you!
